RÉSUMÉ – I have offered daca a wonderful deal including a doubling in the number of recipients and a twelve year pathway to citizenship for two reasons : (1) because the republicans want to fix a long time terrible problem. (2) to show that democrats do not want to solve daca only use it ! 95% of americans will pay less or at worst the same amount of taxes (mostly far less).

ABSTRACT – the dems only want to raise your taxes ! our deepest sympathies and most heartfelt prayers are with the victims of the train derailment in washington state. we are closely monitoring the situation and coordinating with local authorities... biggest tax bill and tax cuts in history just passed in the senate.

'small business optimism soars after trump election' things they did and said (like giving the questions to the debate to h). a total double standard ! media as usual gave them a pass..
